## DECISION AND ORDER

### Statement of the Cases

On July 10, 2018, the United States Postal Service (the Respondent); American Postal Workers Union, Local 380, AFL-CIO; American Postal Workers Union, New Mexico State APWU, AFL-CIO; and the General Counsel of the National Labor Relations Board entered into a Formal Settlement Stipulation, subject to the Board's approval, providing for the entry of a consent order by the Board and a consent judgment by any appropriate United States Court of Appeals. The parties waived all further and other proceedings before the Board to which they may be entitled under the National Labor Relations Act and the Board's Rules and Regulations, and the Respondent waived its right to contest the entry of a consent judgment or to receive further notice of the application therefor.

The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.<sup>1</sup>

The Formal Settlement Stipulation is approved and made a part of the record, and the proceeding is transferred to and continued before the Board in Washington, D.C., for the entry of a Decision and Order pursuant to the provisions of the Formal Settlement Stipulation.<sup>2</sup>

Based on the Formal Settlement Stipulation and the entire record, the Board makes the following

<sup>1</sup> Chairman Ring is recused and took no part in the consideration of this case.

<sup>2</sup> We note that the remedy to which the parties have agreed differs in some respects from previous broad orders that the Board has issued against the Respondent in cases alleging that the Respondent has violated Sec. 8(a)(5) of the Act by failing and refusing to provide relevant information. See, e.g., *United States Postal Service*, 345 NLRB 426 (2005), enfd. 486 F.3d 683 (10th Cir. 2007); *United States Postal Service*, 28-CA-017383 et al., unpublished order issued November 4, 2002, enfd. Case 02-9587 (10th Cir. 2003). These broad orders, as enforced by the United States Court of Appeals, remain in effect, and the Board's approval of this stipulation does not modify these orders in any respect.

Mexico (the Rio Rancho facility), and Albuquerque, New Mexico, including facilities located at 201 5th Street SW (the Downtown facility), 1135 Broadway Boulevard NE (the Main Office Carrier Annex facility), 6255 San Antonio Drive NE (the Academy facility), 110 Montano Road NE (the North Valley Carrier Annex facility), 4600 Paradise Boulevard NW (the Pino facility), 2100 George Road SE (the Airport facility), 2505 Graceland Drive NE (the Uptown facility), 424 Veranda Road NW (the North Valley Finance facility), 13101 Lomas Boulevard NE (the Foothill facility), and 1050 Sunset Road SW (the Five Points facility) (the facilities).

The employees of the Respondent (the Unit) as described in Article 1, Section 1 of the collective-bargaining agreement described below, constitute a unit appropriate for the purposes of collective bargaining within the meaning of Section 9(b) of the Act and Chapter 12 of the PRA.

At all material times since at least about July 21, 1973, the National Union has been the designated exclusive collective-bargaining representative of the Unit and has been recognized as the representative by the Respondent. This recognition has been embodied in successive collective-bargaining agreements, the most recent of which is effective from May 21, 2015 through September 20, 2018 (the Agreement).

At all material times since at least about July 21, 1973, the National Union, based on Section 9(a) of the Act and Section 10(a) of the PRA, has been the exclusive collective-bargaining representative of the Unit.
